5. Sh. Sunil Kumar Singh, GM (Logistics), BMSICL.
6. Dr. Biswaprakash Pradhan, DGM (Drugs), BMSICL.

2. **The Details of the invited tender are as follows:**

1. Tender Reference No. BMSIC/MEDICAL DEVICES/ CONSUMABLE/18-03
2. Tender floated date- 28/11/2018
3. Last date of submission of Online bids-17/01/2019
4. Tender Opening date- 18/01/2019

3. Tender has been floated for 2(Two) Kits i.e. Salt Testing Kit and Haemoglobin Color Scale Kit. It was found in online opening that following 2 (Two) bidders had participated in the tender:

1. M/s Allied Healthsciences Pvt. Ltd.
2. M/s Plasti Surge Industries Pvt. Ltd.

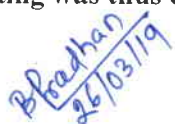

4. The kit wise bid received status were as follows:

S. N	Name of the Drugs	Specification / Strength	Units	Participating Firms	No. of Bids
1.	Salt Testing Kits	As per Annexure - X	Per Test Per kit	M/s Plasti Surge Industries Pvt. Ltd.	1
2.	Hb Testing Kits (Haemoglobin Colour Scale Kits)	Attached as per Annexure- X	Per kit	M/s Allied Healthsciences Pvt. Ltd M/s Plasti Surge Industries Pvt. Ltd.	2

5. It was unanimously decided in tender opening meeting dated 18.01.2019 to proceed further for preliminary technical evaluation for Hb Testing Kits (Haemoglobin Colour Scale Kits) (NIT Sl no.2) for which multiple bids have been received, by the team of Drug Inspectors deputed at BMSICL and Re-tender of Salt Testing Kit (NIT Sl no.1) for which single bid has been received.
6. Accordingly, the preliminary evaluation of the received technical bids of the above mentioned bidding firms for Hb Testing Kits (Haemoglobin Colour Scale Kits) (NIT Sl no.2) was done by the team of Drug Inspectors deputed at BMSICL. Evaluation sheets were published on the website of BMSICL & Clarification were invited from the respective firms vide notice no.6240 dated 08.03.2019.
7. In the published preliminary evaluation sheets, prepared by the present team of Drug Inspectors, Hb Testing Kit (Haemoglobin Colour Scale Kit) has been evaluated under Non-Drug category. But the said product which had earlier been floated vide previous tender BMSIC/DRUGS/17-13, had earlier been evaluated under Drug category by the then team of Drug Inspectors who were previously deployed at BMSICL, It is thus clear that two different teams of drugs inspectors have evaluated the Hb testing kits under two different categories i.e. one team evaluated under Drug category while another team evaluated under non drug category.

In view of the above ambiguity in evaluation sheets prepared by the two different team of Drug Inspectors, it has become difficult to draw any conclusion by the TEC. Hence it is recommended to invite the technical opinion from State Drug Controller, GoB regarding the category under which the said product belongs i.e., whether the product comes under the purview of Drug or Non-Drug category & accordingly the technical bids shall be re-evaluated by a new team of Drug Inspectors.

8. The meeting was thus concluded with a vote of thanks.
